Subject: Honoring Veterans with Free Dental Services – Veterans Day Week 2024

Dear [Patient's Name],

As we approach Veterans Day, we want to take this opportunity to give back to those who have sacrificed so much for our country. From **November 11th to November 15th, 2024**, our practice will be offering **free dental services** to veterans in need.

This initiative is our way of saying “thank you” to the brave men and women who have served in the armed forces. We understand that many veterans face challenges accessing quality dental care, and we are proud to do our part by providing services such as cleanings, fillings, and exams at no cost during this special week.

If you know a veteran who could benefit from this service, please pass along this message. Veterans interested in receiving care can contact us at **[phone number]** or email **[email address]** to schedule an appointment. Spaces are limited, so we encourage early bookings.

Thank you for being a valued part of our practice, and we hope you'll join us in spreading the word as we honor our veterans with the care they deserve.

Warm regards,

Dr. [Dentist's Name]
